

RPS GROUP OF INSTITUTIONS

Report on Industrial Visit at

HUAWEI TELECOMMUNICATION, GURUGRAM

1ST SEPTEMBER, 2017

For 3RD Sem. ECE/EE/CSE & ECE 7TH SEM. Students

Industrial visit was carried out at **HUAWEI TELECOMMUNICATION,GURUGRAM, India** on 1ST SEPTEMBER, 2017 for **3rd Sem ECE/EE & 7TH Sem ECE** students.

The main objective behind the visit was to make student aware about how various activities related Wireless communication technology are carried out in company and give them feel of engineer as soon as they start there course.

I along with 01 faculty member (*Asstt. Prof. Mr. Sandee Yadav*) and 37 students left for visit at 6 a.m. and took about 03 hours to cover the distance. The company is located in Unitech Cybr Park,Sec-39,Gurugram.

As soon as we reached company we were guided by Miss. Malvika to Company where an orientation of company was given by head trainer about history and how company was established.

There vision and mission are:

- **Customers First**
- **Dedication**
- **Continuous Improvement**
- **Openness & Initiative**
- **Integrity**
- **Teamwork**

After introduction all students were divided in four groups of 10 students each and were headed by trainer who helped them to understand how Wireless Technologies Works.

We took almost Two hours to see company which was followed by questions of students. I appreciate staff member who guided students with each and every question with detailed answers.

It is rightly said that “See & know’ is better than ‘read & learn’. Students have got real feel of company’s working after this visit. They got a chance to transfer their theoretical knowledge to practical implication. This will even help students to understand subject matter clearly in future also.

We along with student would like to extend our gratitude to company for permission and support they gave to make our visit a success with accomplishment of objective and our Honorable Director **Dr. Mahesh Kumar Yadav** and TPO **Mr.Vikash Sharma** for arranging this visit for our student.

With Best Regards

Asstt.Prof Karambir Sheoran

(Head , ECE/EE Deptt.)

Thank You.
